Nightingale Partners Show Strong Growth

Four members of Nightingale Partners investment team: James Turner, Rupert Mitchell, Will Collis and Chris Utley have all undertaken a rigorous policy of no shaving for the month of November. Unsurprisingly, moustaches of varying colours and styles appeared to a mixture of delight and horror to those around them.

The facial growth was in support of 'Movember' which raises awareness for men's health and prostate cancer.

Nightingale Partners managed to collect a *hair-raising* £700.00.

For more information about the charity event, please see the Movember website or contact Nightingale Partners directly.
